Varsity Football Finishes with Flair

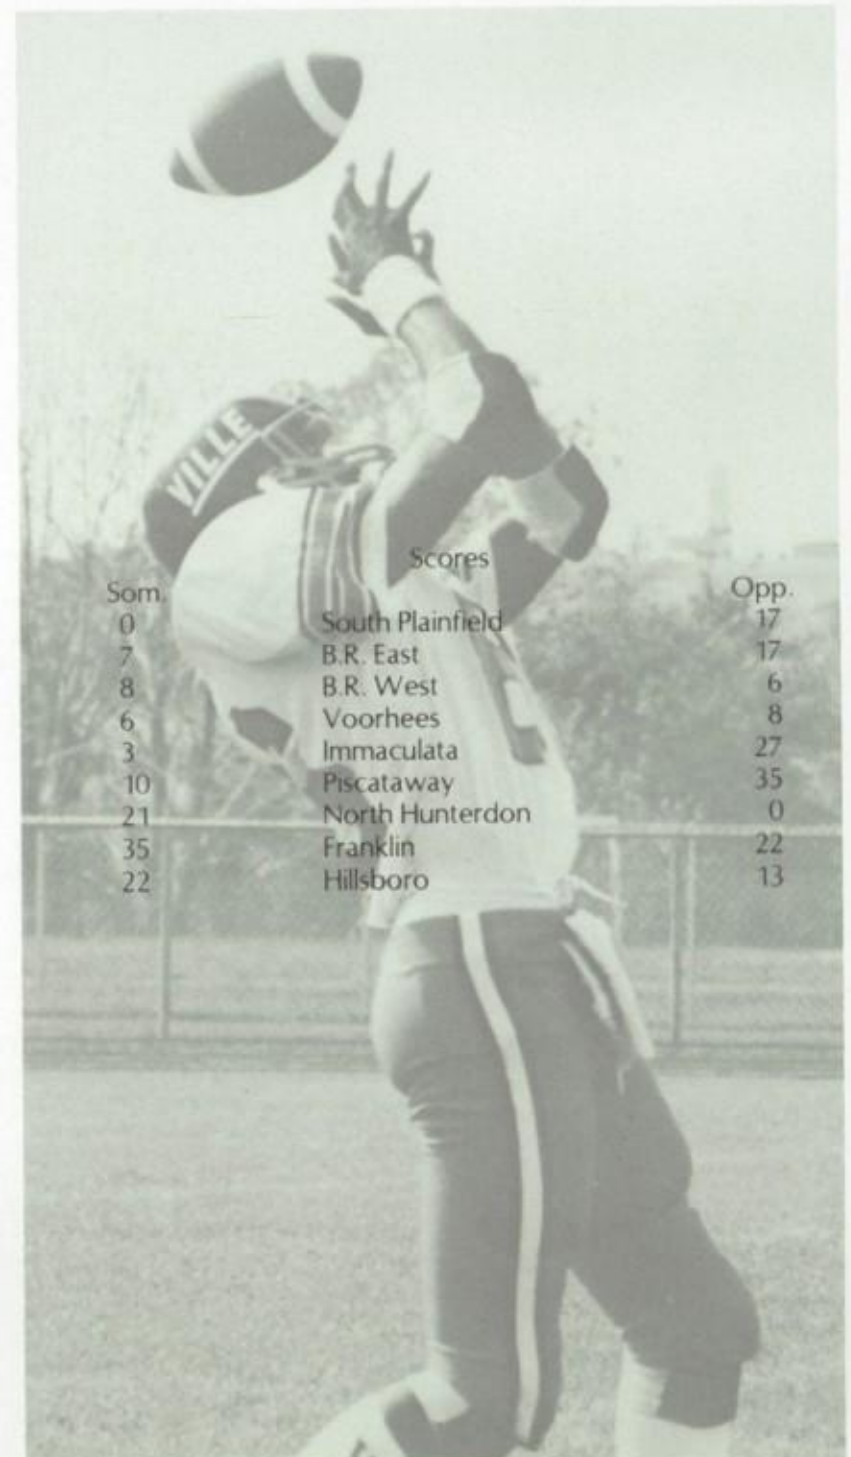

Front Row: Kurt Rock, Kevin Sferra, Steven Holloway, Roman Pacewicz, Dan Eggeman, Jeff Nunamacher. Back Row: Kneeling: Jeff Manning, Chris Balsino, Terry Noble, Rich Dymond, Tom Tiner.

Although the Varsity Football team did not have a complete winning record, the team stuck together and ended their season with the best improvement anyone could ever have. According to head coach Jerry Moore, the mental errors in the beginning offset the team as a result of a few losses. But of course, the Ville pulled through and won the last few games including our exciting Thanksgiving game against rivals, "The Boro". Other rivals defeated by the Ville were Franklin and Bridgewater West. Coach Moore remarked, "These young men met with diversity and then beat it."

Seniors Keven Sferra and Tom Tiner were consistent throughout the season. As a result of dedicated off-season training, these boys improved a great deal. We also, can not forget Steve Holloway's many touchdowns. Steve made the Group I, Second team and the Group II first team as did Jeff Nunamacher and Bill Dubiel.

Although this was the first time in eight years that the Ville missed the state play-offs, Coach Moore is determined and assured that the team will be back in '83.

The Freshmen Football Team was an inexperienced team with many of the players having never played football prior to this year. They worked hard all season, and even though they were disappointed with their record. 1-8, their enthusiasm and dedication never diminished. As they gather experience they are going to develop into a solid football team.

Soccer Season

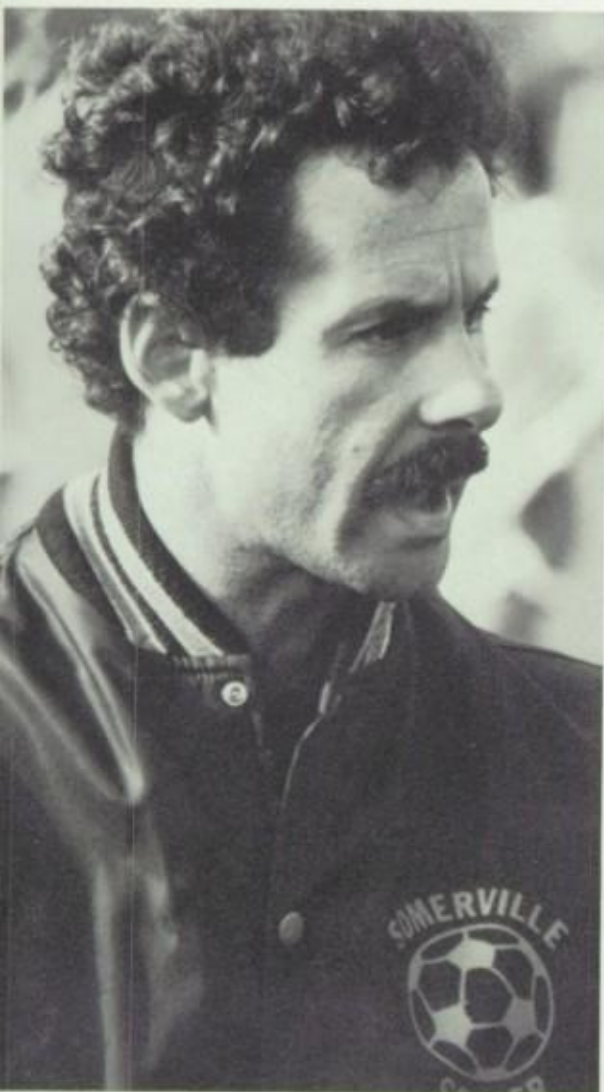

Although the Varsity soccer team did not have a winning season, Coach Raymond Peachey is expecting nine returning players next year to achieve the goal of winning half their matches. The team did improve their playing against Hillsborough.

The team feels their best game was against Franklin when Somerville tied 1-1. Kevin McMurtry and Ron Martino played excellent defense in which they held eight shots.

All in all, the boys were a dedicated team and practiced very hard, increasing their skills, especially Max Jaramillo. Ron Martino kept the team's spirit up and achieved the All County honorable mention with teammates Jeff McCaughey and George Miliariesis.

The J.V. soccer team with a record of 3-11-1 met their goals and did a tremendous amount of improving this year. Leading players were Doug Reinhardt, Scott Rutishauser, and Ralph Rios. Doug kept the team going and was very valuable on defense.

The best game and turning point of the season was the team's win over Hillsboro 2-0.

The advantage the team has is that they are a young team, and although they lack in a few skills, they'll all be back next year to improve even more and reach their goals of bettering their record and defeating once again their rivals, Hillsboro and Franklin..

A strenuous moment.

The Somerville High School girls Field Hockey team finished its season with a record of 0-15-3. Even though the team had no wins, they came up with three ties. This is where the girls showed the ability to score goals and play good defense.

Next year coach John Venezia hopes to be more competitive and win some games. One disadvantage will be the loss of Mary Poulson, a member of the 2nd team in the mid-state and the loss of a most improved player, Janet Zirkle. Captain Nadra Nabulsi kept the team going, despite injured legs, and truly showed team leadership. The entire team will be back, so the field hockey team can look to a promising future.

Nadra takes control.

Taking a break.

Coach Bruce Kafer and the boy's cross country team had a very exciting season. The team was young and aggressive and stayed together to promote team effort and team spirit.

The cross country team made it to the Central Jersey and State Group II meets. John Barry made the mid-state team. Other key runners were Todd Johnson, Felipe Burgaz, Mike Maulding, Brian Bauer, Tony Ciccotelli, Rob Loss, and Scott Wallach.

The boys defeated rivals Franklin, Bridgewater East, and Bridgewater West. The turning point was the Central Jersey meet, and their goals were met in making the State championships. Next year's expectations are to improve on this year's dual meet record and to make the State's again.

And they're off . . .

The 1982 Girl's Cross Country, under the direction of a new coach, Ty Klock, had a winning season. Led by junior Katy Reh and sophomore Carolyn Thierfelder, the team made history by becoming the first cross country team in Somerville High School to make the all-group meet and by becoming the third Group II team in the State. Freshmen Sue Hart, Patty McCormick, and Jean Barry made major contributions to the team's success. Since no runners will be lost to graduation, next year's team should have a good season also.

Gymnasts Gain Titles

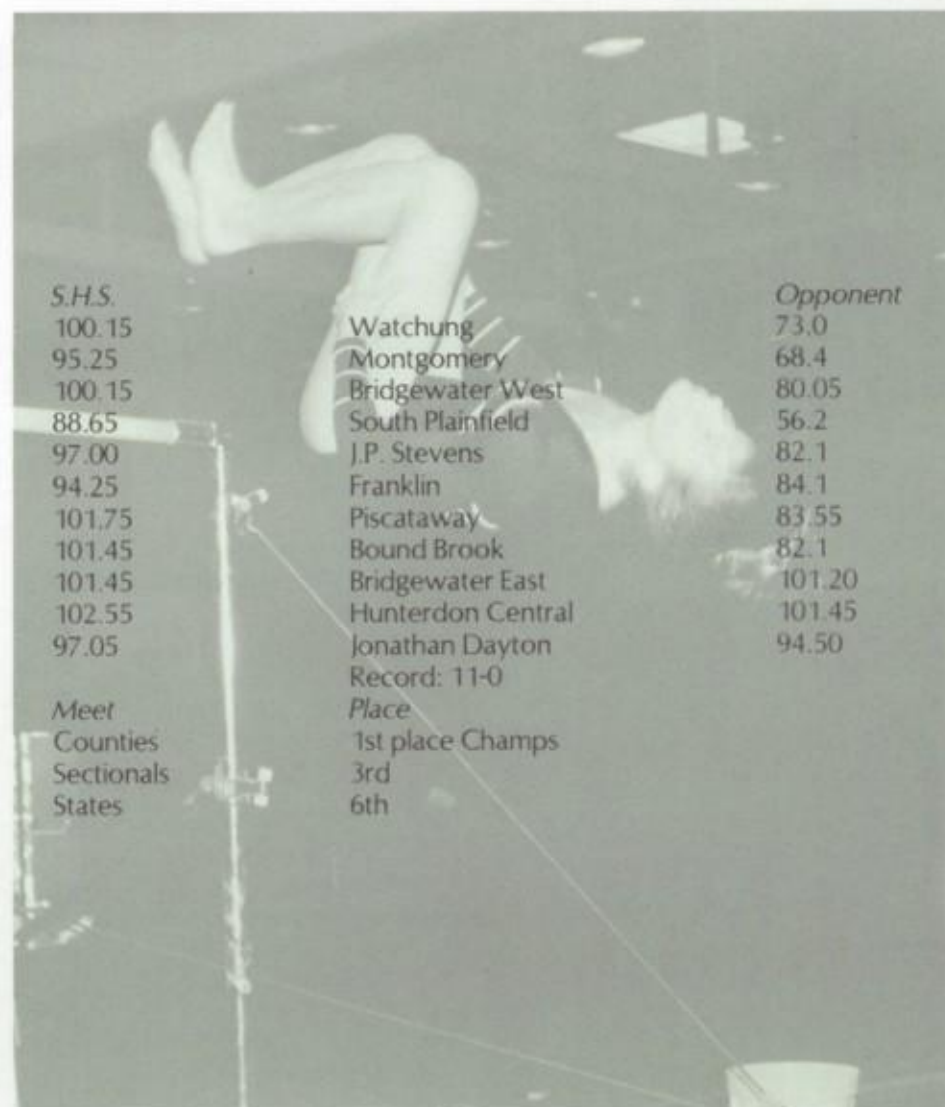

Front Row: Regina Bumpers, Coach Cindy Wagner, Lynn Grasso, Sue Gagliardi, Michelle Voytek, Michelle Galka. Back Row: Noreen Moore, Heidi Bauer, Kelly Radziewicz. Top: Pam Tocci

The Gymnastics team had their most successful season in the history of the team. The girls are the undefeated Somerset County champions. Also, they are the mid-state champions, defeating Bridgewater East and Hunterdon Central, the team's biggest rivals. Key competitors senior Lynn Grasso — 1st on bars and third on beam in the county, Heidi Bauer, freshman, 1st on vaulting and floor in the county among many other honors throughout the season, junior Michele Galka, 1st on beam in counties, Kelly Radziewicz and Michelle Voytek. Heidi won 1st on the mid-state team and Lynn received the Phillip Rossi Memorial Sportsmanship Award.

Despite back injuries and ankle injuries, the girls stuck together with their well-known team spirit and completed their season in 6th place in the state.

The very proud and happy coach, Mrs. Cindy Wagner, expects the whole team, with the exception of seniors Lynn Grasso and Michelle Voytek, to return next year to be even stronger. Of course, the team couldn't forget all the help from managers Sue Gagliardi and Regina Bumpers.

Front Row: Chris Finne, Cathy DeCicco, Wendy Quick, Beth Adams, Jill Harhai, Missy Gottlieb, Sue Simmons, Dana Miller. Back Row: Debby Evans, Jill Szymanski, Heather Quick, Leslie Nevius, Liz Allen, Al Ramsey.

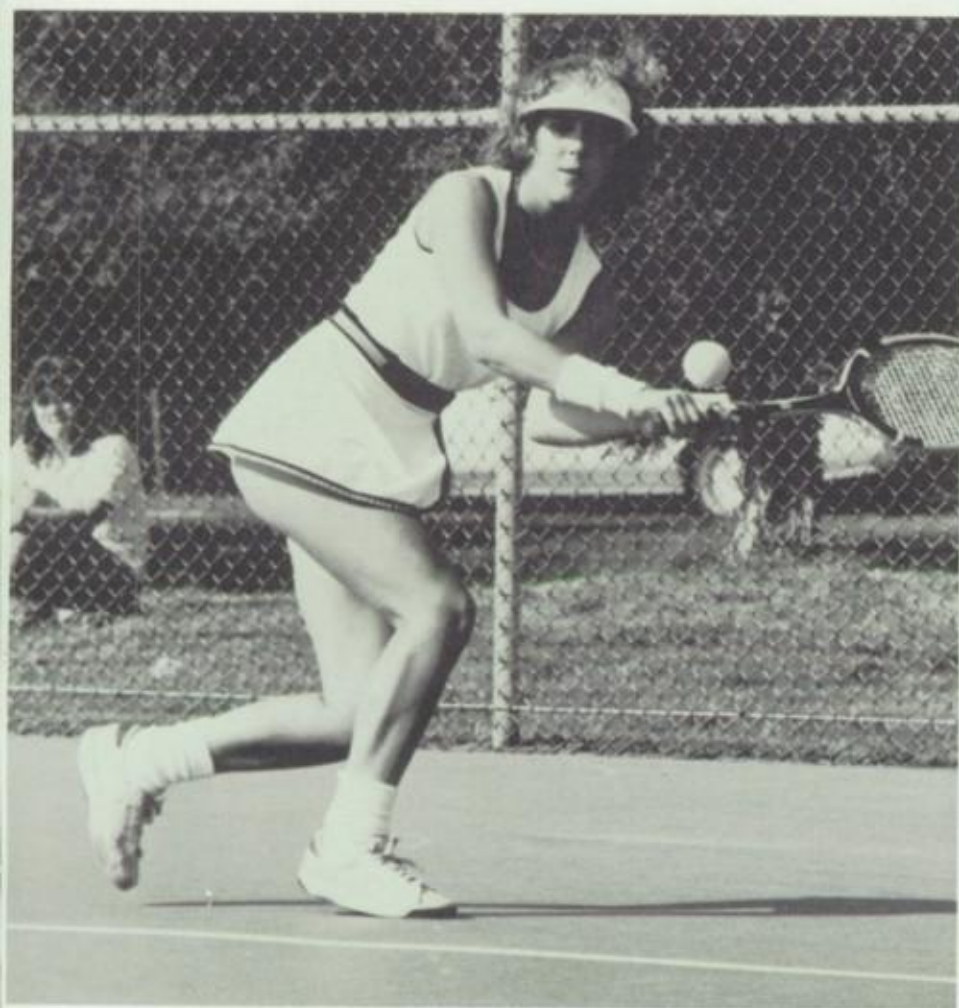

Coach Allan Ramsey had nothing but praise for his team this year. It was the first year in awhile that this position had a switch in coaches. Coach Ramsey said, "In the ten years that I have been involved in athletics at Somerville, I have never enjoyed myself more than this year. The girls were *Great*."

Missy Gottlieb has 6 wins at first singles and captain Cathy DeCicco had seven wins at second singles. Missy will be back next year to start, and so will Sue Simmons, Liz Allen, Heather Quick, Beth Adams, Leslie Nevius, Chris Finne, and Jill Harhai.

The girls kept steady improvement, had great attitudes, and everyone gained experience playing competitive tennis. Their big rival was Hillsborough, who they beat twice this season. They met their goals of being competitive, winning more matches, and having fun. Next year Coach Ramsey and his team look forward to a winning season and qualification for the state championship.

Varsity Basketball Hits the Boards

The Ville Varsity Basketball team was lucky to have top players Sherman Procter, Terry Noble, Gary Hayes, Steve Holloway and Jamie Gadsen. Holloway improved his foul shots while Coach Matthews kept the guys on their toes. Hayes, Evans and Milligan will be back to start next year and hopefully to once again beat rivals Immaculata.

The best aspect was that the team played very consistently and continued playing with top performance as a result of dedicated hard work during practices.

Stan, waiting for a rebound.

The J.V. Basketball team had the winning attitude this year. Coach Petrill boasts everyone contributed this year. All the players were good, however, Stan Jeffries was outstanding. The team did better than ever when they played Franklin at home. McAloon and Stires made considerable improvement in shooting. Kevin Williams and Bill Sigler were not to be let down and the whole team benefited from the enthusiasm they projected. No one cared about points, they just wanted to win. Things took on a different outlook when Norm Milligan joined the team.

Coach Petrill feels strongly that the team has greatly improved since they began this season, victory against Franklin and East confirmed this. Shooting and Defense were strong points that contributed greatly to the team's wins. The whole team strived for an excellent record and it showed in that they have never been beaten in a home game. The team will bid farewell to many players next year but will gain many also. Overall the team is looking forward to a bright season next year.

Freshman Basketball — Mr. Anderson has a lot to be proud of with his Freshman team. They achieved a record of 1 win and 9 losses and achieved their major goal of playing as a cohesive unit.

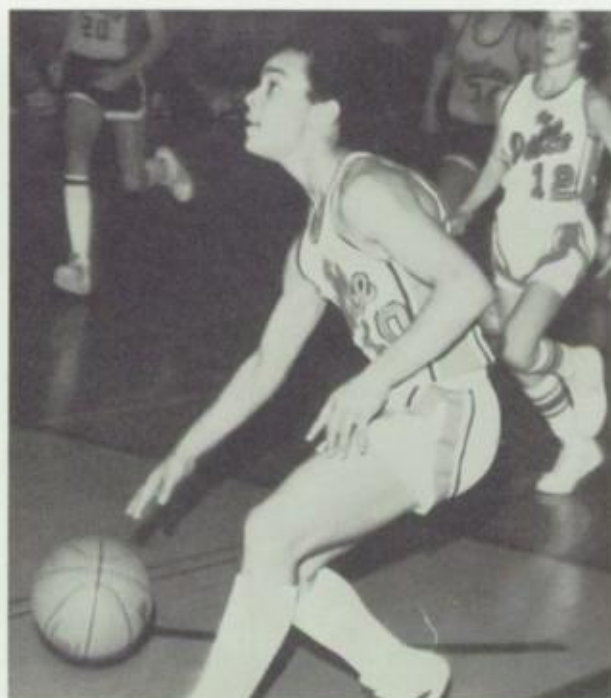

Although the team did not meet the goal of defeating each Mid State team once, however, they succeeded in defeating their major rivals Immaculata and Bridgewater East.

Coach Anderson says their best game was against Piscataway in which they took the lead immediately and "never let Piscataway back in the game." A few times they were leading by as many as 20 points. This was a great victory because Piscataway had defeated The Ville in an earlier game.

Coach Anderson feels that the most improved players were Raymond Davis and Tim Upton. They along with the rest of the crew never gave up their determination.

This year's Girl Varsity Basketball team has had an excellent season. Spurred by Shawn Darby, Daina Harris, and Cindy Milligan the team played some very exciting basketball, especially against Hunterdon Central. In both games against this opponent, Somerville won by a few points.

What helped make this team such a great success was the very unselfish players and the great attitude.

As for improving, they all improved as a team. Each individual has added their talent to the team as a whole.

Next year, the team is looking forward to the same goal they did this year, winning the Mid-State Conference one more time.

Shawn shows her forwarding skills.

Girls' J.V. Basketball

There was a whole team effort this year with the girls JV basketball team. Coach Rapoli has a lot to be proud of. Their best game was against N. Hunterdon when the girls were ten points behind and came back to defeat the Lions. Denise Hall improved the most and everyone kept the team spirit up. The best aspect was the girls' defense. It is now stronger than ever and foul shooting percentage is also better. Next year's starters, Liz Schmeling, Heather Quick, Jill Hazhai, Donna Masher, and Denise Hall will return to once again beat rival Immaculata and to maintain the winning record.

Coach Kinney had an amazing team this year. Top wrestlers were Brian Bauer (16-1) and a district champ, Scott Becker (10-3) district semi-finalist, Bill Wymbs (11-5) and Larry Usia (13-7-1) district semifinalist, and Jim Gentile (10-4) semi-finalist. Coach Kinney had highly successful wrestlers. Brian Bauer and John Donnelly became county champs and Pat Kelly was the Lenapy Valley tourney champ.

The major goal was the county tournament which the boys took easily.

J.V. Wrestlers Plan for Future

First Row: Rich Denbigh, John Evans, Scott Becker, Doug Reinhardt, Chris Ouelette, Dave Pomrinca. Back Row: Coach Robinson, Doug Leubner, Todd Dow, Andy Bliss, Rich Kanya, Glenn Miller, Coach Fleming.

This was a successful year for the J.V. Wrestlers, Dave Pomrinca and Doug Leubner remained undefeated and Doug Reinhardt, Andy Bliss, Dwayne Everett and Mark Slotterback all had very good records. Rich Denbigh was the "team leader." He improved the most and helped keep the team spirit up.

Coach Fleming should be proud in bringing his team from a 2-10 record last year to a 10-1 record. He coached the boys hard and everything paid off, especially when they beat Ridge and Hunterdon. Both meets came down to the Heavyweight and Leubner pinned both times to win.

Everyone on the team will be back next year to start J.V. or Varsity and to continue their reputation of working as a team and sticking together. Everyone gained good experience for Varsity competition.

This year's Varsity Swim Team had an 11-9 record which met their goal for the season. The team's great spirit and togetherness, which is considered their best aspect, kept them improving with each meet. Great individual efforts were from: Capt. Jeff Gray in the breaststroke and Capt. Mary Poulson who was steady in all strokes. Ray Jackson swam the 100 free style, and Mike Gibbons, who never missed practice in 3 years was also a great asset.

The best meet was against rivals Bridgewater West. The win of the final relay accounted for the 60-56 win.

The seniors will definitely be missed, but the return of the Poulson sisters and the rest will make up for it.

Bowling Team

Jim Bostick and Art Peters led the bowling team through a very victorious season ending with a record of 51 wins and only 13 losses. Jim made the all midstate and all central NJ 1st team. Peters made the all mid-state 1st team.

The arch rival, Bridgewater East fell to defeat when the Ville beat them with 4 straight games. Somervill also defeated their other rival Bridgewater West.

The team appeared to be very rowdy and feels their best aspect is the way they "psyche out the other teams." One team member remarked that the head people to keep team spirit up were "Art Peters and his animal psyche and the fish-face (Glenn Tuna) with his routineness."

Next year to start along with improved player Scott Sayman are Glenn Tuna, Jime Shevlin, Art Peters, and Jim Bowman. The expectation next year is "to be the best ever."

Fencers Give Foes the Point

Foil fencers Ian Schenck and Noel Ocampo and épée fencer Earl Hergert led the fencing team to victory with an 11-4 record. Their best meet was against Hackettstown. There were many successful players who went on to place in top teams: Earl Hergert at second épée and first B strip épée, Mike Motz at third sabre, Ian Schenck achieved first A strip foil, and Noel Ocampo first B strip foil. Although the girls' fencing team did not have as fine a season as the boys, they still enjoyed their meets and kept a good attitude whether winning or losing. Seniors Kelli Glasgow and Michele Neubauer and team captain Karen Schmidt continued their winning habits while new varsity members Holly Duthie, Amy Lane, and Liz Mostello gained experience for next year. The Junior Varsity team showed great potential and will contribute to a winning season next year.

The twirlers.

The 1982-1983 Pioneer Marching Band had plenty of "places to go, people to meet and things to do." As a result this was probably their busiest season ever. The band and band front worked long and hard and have much to show for it. They held their own band festival on Brook's field, where they received a good rating and attended the Home News Band Festival at Rutgers. For their performances at North Hunterdon and Piscataway Band Festival they received excellent ratings. The most exciting of all though was performing for the games with the half-time rendition of Barnum.

A Broadway Review

Broadway, I've arrived!

On December 3, the Somerville Drama Club presented a *Broadway Showcase*, a collection of various songs or skits from past Broadway plays.

It included scenes from these hit shows: *West Side Story*, *Oklahoma*, *A Chorus Line*, *They're Playing Our Song*, and many others.

A student directed program, it showed the talent in our drama club and prepares us for the upcoming production *Once Upon a Mattress*.

Seniors Lead Baseball Team

Front Row: Dale Harding, Kurt Talke, Mike Matalenas, Paul Gibbons, Rob Albright, Phil Forman. Middle Row: Rob Newman, Jeff Manning, Joel Johnson, Rich Newman, Mike Schlow, Kurt Rock. Last Row: R. Rios, Jim Lawson, Todd Duffy, Mr. Colavita, Glenn Ellsworth, Ellen Stone, Beth Schlessinger.

Coach Colavita had a lot to be proud of with his seniors Rich Newman, Rob Newman, Jim Lawson, Joel Johnson. These boys made the mid-state team and contributed most to the teams success. According to Coach Robert Colavita, the boys' best game was their win over Franklin in the Somerset County Tournament giving Jim Lawson a 300 shutout, thus meeting their goal of making the Semi Finals.

Despite Joel Johnson's arm injury, the team never gave up and maintained an excellent attitude. The rest of the team gained much need improvement and will be back next year "to play 500 baseball." Returning seniors are Todd Duffey, Kurt Rock, Jeff Manning, and Larry Freeman. Hopefully, next year the team will once again defeat their rivals Bridgewater East and West.

J.V. Baseball

Coach Stan Mech's J.V. Baseball team developed some strong potential for the 1983 Varsity team. Sophomores Skip Fuller and Larry Ussia have proven themselves to be valuable potential varsity players. Although it was not their best year, they had their highlights. Seniors Rick Dymond and Rich Lee helped the team along. Lee's close to .400 batting average and Dymond's talent in the outfield enabled the team to win five of their overall twelve games. The most improved player was Glen Dickey, who won 3-1 on the JV level and helped many of the players to go to the varsity.

The boys' track team had many great runners to help them in a successful season. Leading scorers were Joe Cross, Jeff Gray, Roman Pacewicz, Gene Hobbs, and Todd Vandervoort. Joe Cross won the all-star title in the 3200m race.

The most exciting aspect of the 1982 season was the new track. The night meets were another new innovation. The team achieved its goal to be .500 or better and next year hope to have an even better season.

Girls Track

Bottoms up!

Flying high now!

Only ten hurdles to go!

The Girls Track team achieved a record of 6-3 with leading competitors Paige Saunders, Tina Bryant, Kim Griffin, Bess Wymbs, Linda Zolton, and Regina Jeffries. The girls' best meet was their win over undefeated Piscataway. This helped the girls to qualify for the State Sectionals.

In the 100-meter race, Paige Saunders became the Mid-State Champion. Tina Bryant is the County Champion in the 200-meter race. Both girls set records with scores of 12.6 sec. and 25.4 seconds. The Relay team consisting of Griffin, Wymbs, Bryant, and Travis, received third place in the Mid-State Conference, third in the County, and third in Mid-State Relays. The 400m and 800m sprint set records for the team.

Coaches Roy Woodton and Tom Robinson are extremely optimistic about the upcoming season. There was an all out participation of 41 members, and next year is expecting more.

Coming in for the win.

Tennis Team Tackles Opponents

The 1982 Boy's tennis team compiled a 4-17. Although the team had a losing season Coach Ray Peachey has high expectations for next year's season. Even though the team lost two very valuable seniors, Jack Sturm and Cam Sharpe, some very strong starters will be returning.

Coach Peachey is expecting two new players, Bolin Venugopal and Chip Miller to help the returning players.

Don't look so scared.

It takes skill.

Watch my backhand, it's awesome.

Posing for the camera, Eric?

OK, I'm ready.

Standing: Coach Trelease, Steve Carr, Maura Waters, Bill Sigler, Scott Saymen, Mike Sweer, Tina Seigel, Steve Hickson.
Kneeling: Joe Carballal, Bob Loss, Phil Webster, Eric Sequin, Tom McManus.

Teeing off to a hole in one.

During the 1982 golf season, coached by Mr. Tom Trelease, there was a notable improvement over the previous season. The team was up against many challenging teams such as: Watchung Hills, Bridgewater East and West, Hillsborough, Piscataway and many others; ending their season with 6 wins and 10 loses. This achievement was reached through the excellent playing of Steve Carr, Corey Bonnell, and Maura Waters. The 1982 season should be another promising one through continued excellence from seniors: Maura Waters and Corey Bonnell; juniors: Lisa Hannin, Tom McManus, Steve Hickson, Bill Sigler, Scott Saymen, and Mike Sweer, and Sophomores: Joe Carballal and Bob Loss.

My Fair Lady

The house was packed on March 5th and 6th for the S.H.S. production of Lerner and Loewe's *My Fair Lady* starring Karen Paxson as Eliza Doolittle and Andy Gorman as Professor Higgins. Corey Bonnell was impressive as Colonel Pickering and Allan Zuckerman almost stole the show as Alfred P. Doolittle. Jim Fancher played Freddy Eynsford-Hill.

The play was directed by Miss Susan Daley while the musical direction was provided by Mr. Richard Coulter and Miss Cindy Fisher. Mr. Stewart Schenck provided set direction. With all this work, the play could not help but be a success.

You call this a light?

Have mercy, please . . .

When Miss Daley talks, everyone listens.

"I'm so confused."

A cup-a-tea!

Mother and Son!

What happened to her?

I wish he would stop that noise.

It's your father, speak to me.

A Night to Remember

The Queen's attendants.

A Congratulatory kiss.

The 1982 prom was a special affair from the moment the preparations were being made. The committee planned for months and then right before the event their advisor left Somerville High School. Undaunted, they carried on with their new advisor, Miss Betsy Martin. Their hardwork paid off with a very successful prom.

Highlighting the evening was the crowning of the King and Queen of the Prom and their court of attendants. The King selected was Jim Hughes. The Queen was Kim Cornell and her attendants were Genia Carr, Kathie Rigante and Jackie Stafford.

A good time was had by all who attended.

King James and Queen Kim

Prom farewells.

Front Row: Ted Pilaledes, Noel O'Campo, Allan Tullar, Gemma Velton. Back Row: Doug Reinhart, Sue Hayes, Robert Phillips, Dave Parks, Melissa Keissler, Mike Engerud, Mr. James Durland.

The 1982 Somerville High School Tournament of Excellence Team had an excellent year. The team, coached by Mr. James Durland, was undefeated, beating arch-rival Rutgers Prep in the finals for the championship. The money the team won was used to create scholarships and awards for graduating seniors. Next year, Mr. Durland and the team hope to repeat this success in both the Tournament of Excellence and the newly formed Somerset County Academic League.

The Presentation of the trophy.

Let's see the trophy.

A Last

Preparing for the big moment.

A final farewell bid.

Breaking out the bubbly!

The happiest evening of their lives.

HURRAH!

1982 Graduation

The 1982 Graduation brought tears as well as smiles as the Senior class walked out on the field for one last time. After days of practice in the hot sun, the time had finally come to get the long awaited diploma. It was with smiles that the graduates received their award for four years successfully completed but it was also with tears that they were accepted.

The graduates cried because they knew they were climbing another stair in the story of their lives and would be leaving something familiar behind.

Dr. Dwyer welcomes everyone.

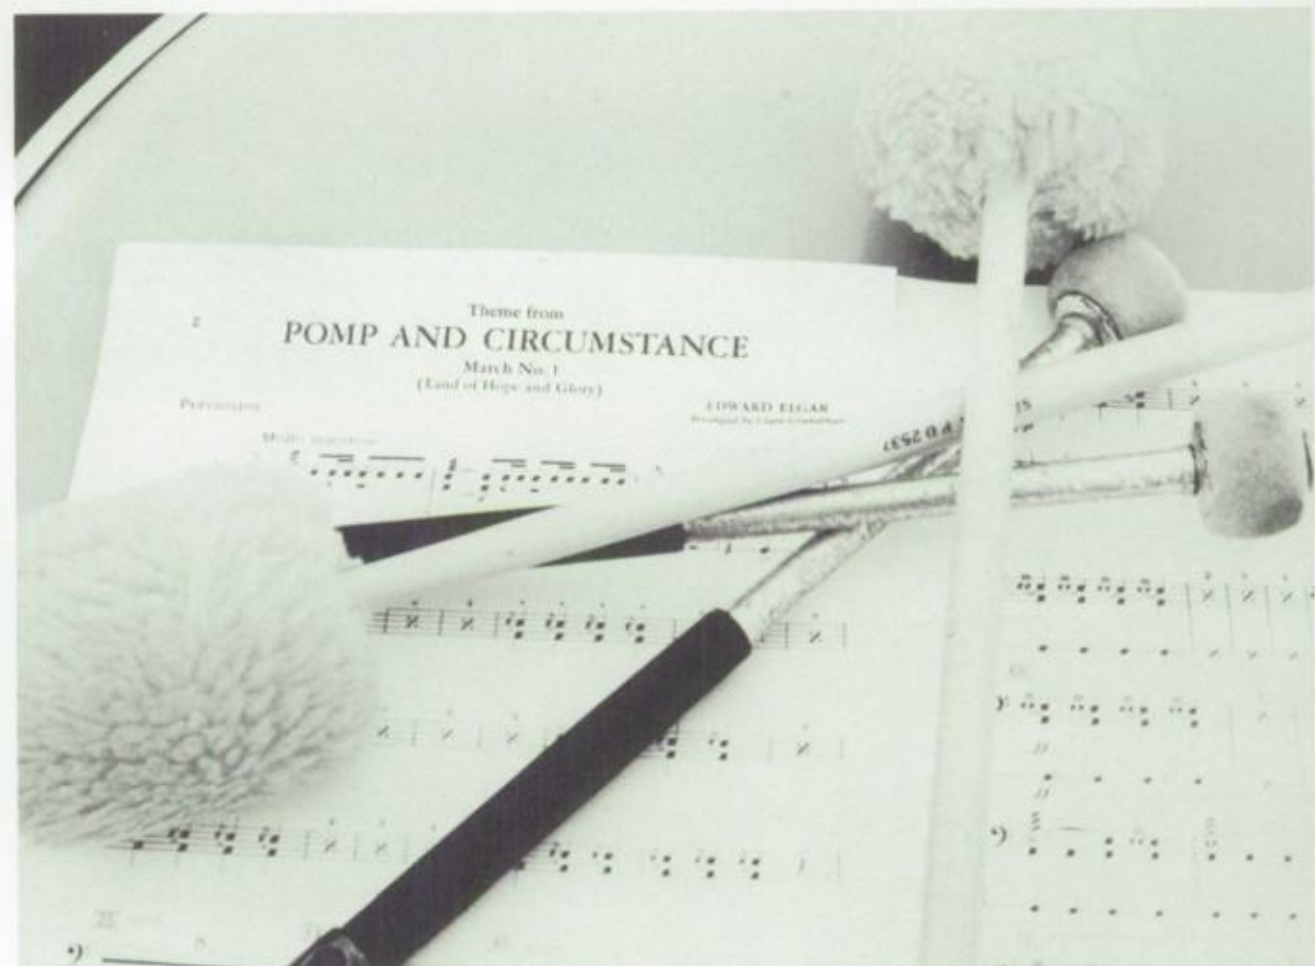

Mr. Crisci addresses the students and guests.

Congratulations!

The long and winding road . . .

The song remains the same.

Three Things You Should Know About Hunger In The World

1. People Are Dying: • 15 to 20 million people die of hunger and starvation each year.

- 41,000 people die each day; 28 people every minute, 21 of them children.

2. They Don't Have To.

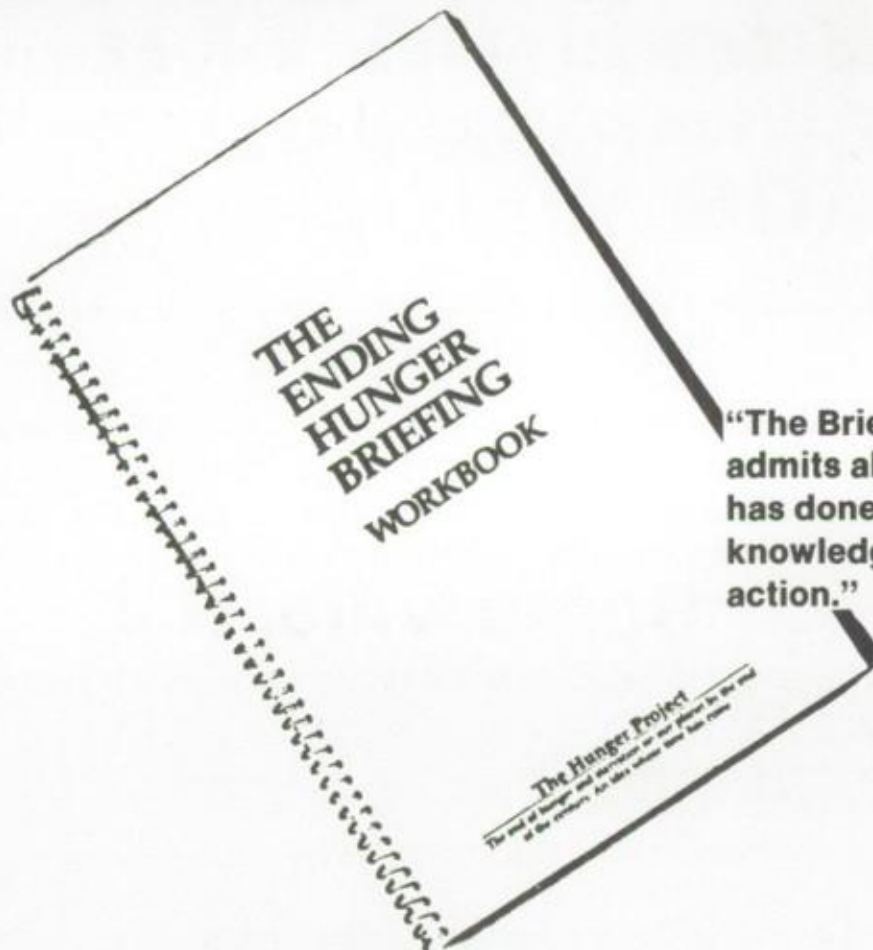

- We now produce enough food to feed nearly twice the population of our planet.
- There are solutions that exist. Hunger has ended in 53 countries (35 since World War II).

3. You Can Make the Difference.

- Experts say that hunger can be ended by the end of the century. The key missing ingredient is the worldwide commitment to get the job done. That commitment begins with you. You have the power to make the end of hunger and starvation an idea whose time has come.

To learn the date and location of the next Briefing near you, contact:

EDMAR CORPORATION / Chimney Rock Road • P.O. Box 149 • Bound Brook, N.J. 08805 • (201)356-1985

"The Briefing is five straight hours of truth about hunger that admits all points of view. I know of no other organization that has done the intense intellectual effort to sort out the knowledge about hunger in a way that leads to informed action."

Congratulates the Class of 1983

Life to us all is simply a series of adventures, a series of everyday lessons of living. We must learn how to develop character, how to overcome the things we seem to have inherited from our forefathers. We accomplish this through our minds, by changing patterns of our thinking, by becoming positive thinkers.
